

Hurricane[®] BAL

Bushfire Rated Ventilator

The Hurricane BAL is a bushfire rated, wind-driven vent designed to exhaust heat and moisture without the use of electrical energy. It is suitable for non-cyclonic commercial roofs (Class 2 to 9) in bushfire prone regions up to BAL40.

Applications:

Suitable for use in non-cyclonic bushfire zones up to BAL40 for Class 2-9 commercial and industrial building applications, with a maximum roof pitch of between 22.5° to 45° depending upon the Hurricane BAL throat size.

- Warehouse storage, manufacturing, & light industry factories
- Retail outlets & shops
- Schools, colleges, & universities
- Commercial buildings, & offices
- Public, sporting, community & social buildings
- Power stations & substations

Key Benefits and Features:

- Certified for use in non-cyclonic bushfire zones from BAL12.5 up to BAL40
- Unique design specifically developed to meet the stringent requirements of bushfire prone regions
- Variable pitch throat design can adapt to most roof angles up to 45° for Hurricane BAL 300mm - 600mm and up to 22.5° for Hurricane BAL 700mm - 900mm
- Factory assembled ember guard, integrated into the flashing

Detailed warranties, technical data sheets and installation instructions are available on the website. For more information, call **1300 858 674**.

PRODUCT SUITABILITY: Always check product suitability & limitations of use prior to selection – refer to the Product Technical Statement (PTS) available online.

Sizes & Colour Range:

- Available in 300mm, 400mm, 450mm, 500mm, 600mm, 700mm, & 900mm
- Mill finish or powder coated options to match most Colorbond[®] colours
- Powder coated units are custom-made special orders with a manufacturing lead time of up to 10 working days

The COLORBOND steel colour swatches shown in this flyer have been reproduced to represent actual product colours as accurately as possible. We recommend checking your selection against an actual sample. COLORBOND[®], BlueScope[™] and [®] Colour names are registered trademarks of BlueScope Steel Limited.
